Basically, you just have to come up with 25 Ways To Get Kicked Out of ___!

You can choose what to get kicked out of, just don't do the ones I have already done in my book. So, you can't do ShadowClan, RiverClan, and WindClan. 25 crazy ways to get kicked out of something warriors related!

This is due by January 21. You must PM your entry to me! Comment if you're interested.

The winner will get 10 votes on a book of their choice, a follow from me, WattyWarriors, and CloudtailGrandmas (if we're not already), and their 25 ways published in this book and dedicated to them!

One runner up will get follows from the three mentioned above and 5 votes on a book of their choice.

Good luck!

Better get my murder on time, if they not dead then make 'em
And swear I meant that there so much that they give me their closing line
Better get my murder on time, if they not dead then make 'em

Now tell me, who that, who that?
That do that, do that?
Put that fear over all, I thought you knew that, knew that
I be that H-A-W-K, put my name in bold
I been working, I'm up in here with some blood to throw

Tigerstar:

You already know
I'm in these girl pants
Got dat Dark Forest logo

Classic, heroic, you don't get to touch, ow

Hawkfrost:

Still standing, how you love that
Got the whole world asking where mah pants at
Woah cat, hands off, don't touch my pants
Look at that I bet you wishing you could wear those
Just the way you like it, huh?
They're so fab, you're just wishing you could swag it up, huh? (say what what?)
Never turn down clothes
Slaying these cats, got murder in these lungs like

Tigerstar:

Brambleclaw's Dating Guide

It's me, the ultimate Ladies' man, Brambleclaw! Let's begin your journey with some pickup lines!

Hey babe, is it hot in here or is Firestar just dying?

Will you be the blood and guts to my skin and bone so we can be one delicious mouse?

Brambles go perfectly with your fluffy squirrel tail, girl.

Okay! Those are only a few to catch a girl's eye. Now we test a real girl on her reaction to one of these pickup lines.

Brambleclaw: Brambles go perfectly with your fluffy squirrel tail, girl.

Squirrelflight: WHAT THE--BRAMBLECLAW WHAT ARE YOU DOING YOU DELUSIONAL MOUSE-BRAIN?!?!

As you can see, these pickup lines work great! Now onto how you should dress.

As inspired by Bluestar's Show on Cartoon Network where she acts like a boy, *Brackenfur comes on stage and whispers to Brambleclaw* WELL, apparently that show has nothing to do with Bluestar and just involves a blue cat and is called the Amazing World of Gumball.
Well, they have inspired us to go to a really great store: TJ Trash!!!
Brambleclaw walks to a dump
Ah, here's a nice shirt! It's brown with yellow splats! Beautiful!
Here's one with green velvet! Squirrelflight will love this!

Now we will test this outfit on a real live girl!
Squirrelflight: WHAT ARE YOU DOING BRAMBLECLAW
brambleclaw comes in wearing a moldy pair of pants and a shirt covered in...you figure it out...

Brambleclaw: how do I look?
Squirrelflight: like a hobo.

Lionblaze: I REALLY DON'T THINK THIS WAS WORTH THE PRICE OF ADMISSION.
Dustpelt: yes it is. We get to see Brambleclaw embarrass himself!!

The Story Within A Story Begins

A SUE STORY

This will be a very cliche, spoofy 'fic that makes fun of badfics. Yay!

—

Divinekit was born on a perfectly clear day. The sun was shining, and at the same time, the moon was out and the stars danced around in the afternoon sky. CloudClan considered it a miracle, and knew that Divinekit would be a very special cat, a savior, and most definitely not her siblings, Stupidkit and Lamekit.

Divinekit was three days old. The clan's medicine cat, Herbspirit, received a prophecy. Stars surrounded him and spoke. "The kit that is divine will save you all from a forest of darkness." They whispered. "Hmm." Herbspirit said. "I wonder what that could mean."

"CloudClan! Battle positions!" Strongstar, their leader, called his clan from their slumber. Divinekit snuck out of the nursery to help. The rival clan, BadClan, rushed into camp. They trampled down the barriers, and started ripping at the CloudClan warriors' throats. Hope seemed to be lost. Poisonstar, leader of BadClan, had Strongstar pinned down. Divinekit leaped onto the huge, mean tom and clawed at him. Blood gushed out of his neck as he fell limp, dead. Left without a leader, BadClan retreated.

"Divinekit! Divinekit!" The clan yowled. The three-day-old reveled in their praise. "Young kit," Strongstar said. "You have proved yourself, so you are becoming an apprentice!"

The Story Within A Story Ch. 2

"An..an apprentice?" Divinekit gasped. "Yes." Strongstar said in his deep voice, flexing his rippling muscles. "Although your black pelt with neon paint splatters is still kit-soft, I can see the spirit of a hero in your silver glitter eyes. I name you Divinepaw, and take you on as my apprentice!" The clan cheered.

Lamekit and Stupidkit sat with their mother, watching their sister get apprenticed at only three days old. They grumbled in disgust. "Why weren't WE made apprentices?" Their mother, Sparklyrain, pushed them to the side. "Because your sister is clearly better. I mean, she killed a leader! She's incredible! You're just...just...stupid and lame." The two young brothers lowered their heads, and began making evil plans.

Herbspirit, CloudClan's medicine cat, was sitting in his den sorting herbs. He couldn't help but think about the prophecy. *Hm. The 'divine' cat must be Strongstar, or Muscleheart. And the forest of darkness...must be BadClan, since they're such a plague on us. Even though they live on the moor, they have be the forest of darkness. They have to be!*

Divinepaw walked through the forest with her mentor, Strongstar, and his deputy, Muscleheart. Muscleheart kept looking over at her in a loving, admiring way. But Divinepaw didn't care, or notice it that much. After expertly catching five squirrels, one for each day she had been alive, she dropped them down in front of Strongstar. "Wow!" he yowled. "We're so lucky to have you! You're amazing! You truly are divine. And strong. At this rate, Divinepaw, you could become a warrior by the end of the week! You've already grown so much."

Strongstar returned to camp, leaving Divinepaw and Muscleheart alone in the forest. The older deputy turned to her, a strange look on his face. "Divinepaw," he confessed. "I-

The Story Within a Story Ch. 3

"Divinepaw, I-" Muscleheart confessed, taking a small pause. He seemed to be mustering courage. "I love you. You're only, like, five days old, but it's not pedo at all, trust me. You're getting treated like a grown cat, so like, it's fine right?" Divinepaw's eyes shined like jewels, jewels that would eventually come to rest in the crown of ThunderClan. Muscleheart just stared at her, face pushed back against his neck, so a triple chin was created. He looked super creepy. But Divinepaw smiled, stood up on her hind legs, and kissed him. Because cats *can* kiss. With their lips. Yes. *Totally* true.

Muscleheart smiled back his creepy, fanged smile. "Totally not pedo." gushed Divinepaw. Little did they know, a dark, shadowy cat crouched behind them in the bushes. He had super long teeth that curled around his chin, a muscular build, claws longer than his legs, and dramatic anime bangs that covered one of his amber eyes but its bright glow was still visible through the fur. "I'm coming for you." He whispered, in deep, bad guy voice. The dark cat stood up, poofed into smoke, and was gone. Neither of the CloudClan cats noticed.

Strongstar bolted up to the two creepy lovers. "Okay. Wow. Divinepaw, we just held a clan council. You're becoming a warrior! Hurry back to camp, and we can have your ceremony." Muscleheart smiled at his little love, and then kissed her. "Go, my love. At five days old, the youngest and best warrior ever." He said, a romantic tinge in his voice. "I am soooo creeped out..." Strongstar muttered.

The stars shone bright over camp, seemingly cheering on Divinepaw. She stepped up to the high rock, glittery fur glowing in the lunar light. "Divinepaw, you are our hero." Began Strongstar. "You show the qualities of an incredible warrior. So, by the power vested in me, I am improvising this because I didn't feel like looking up the ceremony on the Warriors Wiki, you are to be named Divinesoul, because of how divine your soul is." The clan cheered loudly, chanting the beautiful she-cat's new name.

Lamekit and Stupidkit glowered below, feeling like turds on their sister's family tree. Meanwhile, Strongstar pondered Divinesoul. "No, your name does not suit you. Your name is actually...Divinesoulheart!" CloudClan cheered even louder. Herbspirit looked on, smiling, next to his mate made out of herbs. Since he couldn't have the real deal, why not make one? He couldn't help but realize this young she-cat's glory. *Wait...she's the divine cat!*

Now take some of your own fur you've shed off and stick it to your mistake areas, as concealer! Be sure to use a sharp claw to shape and define your eyebrows- decide whether you'd like them to be a line - or a squiggle ~ *giggle* is squiggle a word!?! Hawkfrost: Shit. I need to make that goldfish my shawty...

Trumpfish: We need to build a WAHHLLLLL.

(RiverClan gasps in awe)

Mothwing: As a totally legit 100% real as fuck certified medicine cat, I think we should eat that goldfish and absorb his natural powers, not to mention whatever must be in his veins.

(RiverClan appears at the Trump rally)

Hawkfrost: Hey there...fine lookin...damn...(bites Trump's head)

(RiverClan begins to devour Trump as sensible, educated, non-

homophobic, -xenophobic, -transphobic, -racist, -islamophobic, -sexist people everywhere rejoice)

RiverClan: YEAH! (builds a wall, RiverClan begins to crumble)

Reedwhisker: WE must ban all cats from ShadowClan! They are a danger to our country! But it's not a ban...wait...but they're still not allowed...but...do people hate me? (cries like a big baby)

Hawkfrost: No, man, we gotta...we gotta lock those dirty she cats up! They don't belong here! (she-cats are put in their own cave)
